WE LOOK AFTER OUR TEAM, BECAUSE THEY LOOK AFTER YOU:

- 10% of our net profits are shared with every employee who's been with us 12+ months. The amount is based on hours worked, not salary, to make it fair.
- A discretionary service charge will be added to your bill and 100% of this will be allocated the team. This also applies to any other card or cash tip you leave. All tips are shared out through a system controlled by a team representative.
